

Module 1

Introduction

Introduction

Introduction

```
using System;

namespace HelloWorld
{
    class Hello
    {
        public static void Main()
        {
            Console.WriteLine("Hello World!");
            Console.ReadLine();
        }
    }
}
```

What is C#?

Introduction

General

Statically typed

Imperative, declarative, functional

Objectoriented

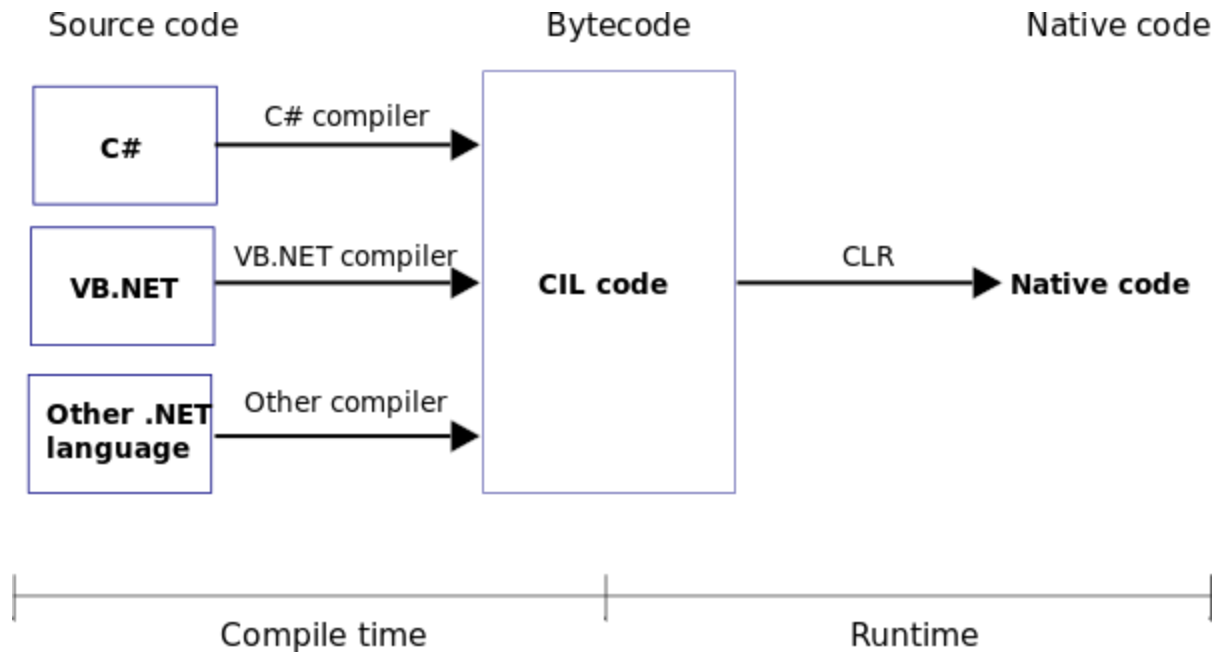

Introduction

Common

Language
